THE WEEKLY SHINE

Date: 24th February 2015

Term: 1  Week: 4

Tomorrow, February 25th, is a Student Free Day

Wednesday (tomorrow) 25th February is a Student Free Day due to the Launceston Cup being held. Staff will be at work until 11:00am on this day in-line with other Northern city schools.

A Reminder That Players from Hawthorn Football Club Will Be With Us This Friday

It will be great to have our Grade 3 – 6’s take part in a talk and a kick to kick on our school oval the day after the Hawks take on the Collingwood Magpies. Parents are most welcome to come down and join in the fun. This event will take place on **Friday 27th February from 1:30 – 3:00pm**. Unfortunately we have no indication of what players will represent the club. Players will sign jumpers and autograph books on the day.

Shine Time

Congratulations to Arziaiah who recently become a member of Paringa Archery Club. Arzaiah has received his AusBow qualification which means that he is now able to participate in competitions! Great work Arzaiah. Congratulations is also extended to the many Little Athletics who have done exceedingly well over the weekend, while many have received medals and ribbons we must say how great it is that the spirit of competition and being a good sport has shone through with our Waverley students.

School Association Underway For Another Year

I wish to thank the parents who come along to support our school and students in attending the School Association meeting. While I understand that many parents work I would encourage those of you who may be able to spare 1 hour, once a month for around 8 meetings in the year. I understand that some parents may think that these types of meeting are very formal or intimidating, however this is not the case. The parents at these meetings have a genuine interest in the school and ultimately their children, I actually look forward to the meetings as it gives parents the opportunity to share ideas, concerns and input into our school. It was fantastic to have our School Leaders along today to share their ideas for the year. In the upcoming weeks Lisa Sutton is also going to be asking for interested parents to assist with fundraising, this is not a burdensome task, but one that seeks to raise money so we can purchase things that will benefit our kids, what a rewarding role!

Safety To and From School

It is a concern to see children riding to school without helmets and also not being safe around roads. I would urge parents to monitor and talk with children about safe behaviours when coming to school.
