**Cake Stall Fundraising Opportunity at Legislative Council Elections**

This Saturday, 2nd May, our School Hall will be used for members of the public to cast their vote for the Legislative Council Elections, this is a compulsory task so we are expected many people to pass through the Hall. Our School Fundraising Committee are planning to hold a cake stall from until 9am til sold out! We would appreciate your support in making cakes, biscuits or slices (no cream or savouries). A tag for ingredients will be provided with a plate and bag that will come home with students today. If donations can be left at the front office or the school canteen on Friday we would be extremely grateful.

**Many Students Support the ANZAC March**

I was overwhelmed to be honest to have had the opportunity to march with 25 of our students at the 100th Anniversary of the Gallipoli landing. To be among so many young people who took the event so seriously was an honour. I am also aware that we had other students that participated as Joey’s and also as members of St John on the day. I think it is wonderful to have the knowledge that our younger generations are continuing the tradition of taking the time to reflect and remember those brave people who have lost their lives and also served and are currently serving in campaigns that serve to protect and defend others.

**LSSSA State Team Athletes**

Congratulations are again extended to Regina, Stephanie, Brody and Jamie who participated as members of a strong team of 70 LSSSA athletes. Our students held their own competing against the best public school athletes in the state – this is something that these students should be extremely proud of. Jamie had a stand out performance in the 100 metre race, Jamie won his heat and then come second in the final, I am hoping that Jamie continues to take his running seriously, with his performance on Friday I have every confidence that he could qualify for the State Athletics team that will travel to Canberra at the beginning of December.

**Good Luck To Our Futsal Team!**

What is Futsal? Basically it is indoor soccer with some rule adaptions. Why have we entered two teams? Because we are extremely good at it! This Wednesday we have two teams entered to participate in the Northern Futsal championships. We have a male team and a female team who are both entered in the same division, unfortunately there were no girl’s teams to take us on but with all the training we are still going to take on the boys, including a game against our boy’s team! Mr Bent and Byron will accompany the teams on the day and we look forward to hearing of how our teams perform.

What Types of Activities Would You Participate In if Active Launceston Come To Waverley?

We are interested to get feedback from families with regard to what types of activities you think would engage our community. Your ideas and activities the whole family can do together, activities that would be more suited to a group of adults and ideas for our students to travel to different venues to experience other activities that you may be aware of are appreciated. We would ask that you provide feedback by putting your ideas on the attached sheet and returning it to the front office, we are not asking for names, but ideas that would stimulate healthy and fun activities that benefit our whole Waverley community not only the School community. We would also like to get some indication of what time would be suitable, e.g. after school, Saturday am, Sunday pm etc.

The working bee will be held to establish garden beds. If you are able to lend us some of your time on Thursday 21st May from 1:30pm – 4:00pm (does not have to be the full duration)
