Cake Stall Raises $243.40!
What a great result for the fundraising committee in raising a total of $243 for the students of our school. We sincerely thank the parents and friends who cooked and baked to make this stall a success. I really think it is important to consider how $243 may help the students in our school – a couple of things that immediately spring to mind may include a set of new Netball Bibs, some new dictionaries that will suit the children in our Early Years – these are just a couple of considerations I will be taking to our School Association, perhaps you have some ideas.

Grade 3 – 6 Swimming Carnival Tomorrow
How quickly has this come around! Tomorrow is the Swimming carnival for our Grade 3 – 6 students which will start at the Launceston Aquatic Centre from 11:00am. We will be offering many different events that include 25 and 50 metre races and also novelties that will help all students enjoy a great day. The carnival will go ahead regardless of weather. This year we have not included a BBQ lunch as we unfortunately do not have Mr Geater with us to organise and run this. Students should bring their own lunch and snacks and water, students will not be permitted to use the canteen at the Centre. Students will need towel, bathers, plastic bag, and a great attitude so we can all enjoy a great day.

Futsal Championships
Mr Bent and Byron came back all smiles from the Futsal Championships held last Wednesday at the Launceston Indoor Tennis Centre. We had 7 Grade 5/6 boys and 7 Grade 5/6 girls participate in the championships. It is a terrific story that our girls participated in with the boy’s roster due to a lack of female teams. The boys won against our girls and also drew a match against Larminier Primary. We are extremely proud of our teams as we only started this sport earlier this year. We hope to build on our success and participate again next year.

Running Series Participation
It was tremendous to see that we had a new wave of students participate in School series cross country events being conducted at Harriers Running Club and Newstead Athletics club. We have approximately 10 students participating in cross-country and this is an amazing figure when you are at the events and compare our numbers with other schools – we really do punch above our weight and also put in great performances!
Football Boot Collection
We are so appreciative of the many people (both from our school and other members of the public) who have helped us to support our children by donating football boots to the school. The gestures reinforce what a great place Waverley is and how willing people are to support our students. Thanks for your generosity!

The 3 Little Pigs and the Frog Prince
The Launceston Musical Society came to our school last Wednesday to perform The 3 Little Pigs and the Frog Prince. Our students, from Kinder to Grade 6, thoroughly enjoyed the performance, they especially loved the costumes and the props that changed throughout the play. We are huge supporters of the Launceston Musical Society.

Cross-Country Preparations Begin
During our PE sessions on Tuesday’s all of our classes will be training in preparation for our Cross country carnival. Could parents please ensure that students are prepared for the cross country sessions, this means wearing correct footwear (sneakers/joggers) and it may be advisable to have a change of footwear, including socks, as the track does go around some wet and muddy trails.

Launceston City Council Seeks Feedback Regarding Parks
In recent times we have received information that there may be changes to the playground and skate area near Waverley Lake. Subsequently, we held a meeting with Launceston City Council representatives who did inform us that both the Spider Web and Skate area would be removed; the Spider Web has reached the end of its life and the maintenance costs make it unsustainable, the slab of the skate area may be left, however, this is yet to be decided. The pleasing aspect of the meeting is that council is looking at creating a play space that takes in some of the “natural” environment – a space where children can be creative and “take risks”. I have included a link to an online survey I encourage you to participate if you wish to provide the LCC with feedback.

DON’T FORGET THE SWIMMING CARNIVAL TOMORROW!

Tony Brazendale
Principal
LAUNCESTON YOUTH THEATRE ENSEMBLE

ENROLMENTS OPEN FOR LYTE’s PRE-PRODUCTION PROGRAM

Have you always wanted to try an acting or drama class? Would you like to be part of exciting productions in a theatre? Are you aged from 7-13 years old?

Then this is the perfect opportunity for you to become part of our ensemble!

LYTE is currently taking enrolments for our second theatre program for 2015, for our Junior Company (grades 2-5) and Middle Company (grades 5-7)

Being a member of LYTE is a fun, challenging and rewarding experience that develops creativity, confidence, communication skills, fabulous new friendships and helps young people realise their full potential.

LYTE is a company for everyone, those who may wish to become actors and those who may not. No previous experience is required.

We’d love to have the opportunity to welcome you to our ensemble.
