Class Structure for 2016
The Department of Education have a range of structures in place that need to be worked through before schools can make final decisions about staffing. Teaching staff hold a range of positions within the department ranging from contract positions to permanent, and this often determines whether a teacher stays on at a particular school or is moved to another position. Now that department processes for classes teachers at Waverley are complete, we are able to confirm our class organisation for 2016. Our class structure and class teachers for 2016 will be:

- Kindergarten: Miss Laura Scott
- Prep: Mrs Donna Watson
- 1/2: Mrs Caroline Gale
- 1/2: Mrs Karyn Wood
- 3/4: Miss Susan Dolby
- 4/5/6: Mr Mick Bent
- 4/5/6: Mrs Annette Djakic

We farewell Miss Kelsey Adams and Miss Karen Searle as they take up positions in another primary school. We have been very lucky to have Kelsey and Karen as part of the Waverley team for the past two years and wish them all the best in their future positions. We will also farewell Mrs Chris Styles who retires from the Department of Education at the end of the year after a long and highly successful teaching career. We will see Chris again as a relief teacher, but we know you all join us and wish her well in her travels and retirement.

Student Leadership
On Wednesday 25th November we were very privileged to 11 of our year five students present their speeches for student leadership in 2016. Each of these students spoke very well and are highly commended for their presentation. We are currently counting the votes and will announce the leaders for 2016 in our assembly on Wednesday 4th December at 2.15pm. We will meet with the group prior to the assembly and know that they will be excited to find out the result of the voting. We have spoken with our 2016 grade six year group about the fact that regardless of whether they hold an official place as a Waverley PS Student Leader, each and every student will be given leadership opportunities in some way or another. All 2016 grade six students have been enrolled to attend the Grip Leadership Conference in March 2016 which is a fantastic opportunity for them to learn about leadership.
