Welcome back to everyone for our final term of 2015!
This term we welcome back Mrs Chris Styles to grade 3/4 and Linda Hansson, after being on leave for term 3. Mr Mick Bent will also return to a full-time teaching load on 5/6.
After a term as Acting Principal it is with much excitement that I can now announce that I have been officially promoted to the substantive Principal of Waverley PS by the Department of Education. I am greatly looking forward to continuing to work with the Waverley Community and school team into the future.

Waverley Lake Fishing Festival
It was great to see so many families enjoying a day out in the sunshine on Sunday. We are hoping to continue to work with Community Housing to ensure that this is an annual event.

A huge thank you to all volunteers who worked on the barbecue and especially to Lisa Sutton for all her hard work to organise the market and barbecue. There is a great deal of work that goes on prior to the day such as attaining donations, ordering, cutting, bagging and so on to ensure that all runs smoothly. Profits from all these events help provide our students with many things such as materials and opportunities that they school may not be able to fund.

Congratulations Sophie
Big Congratulations to Sophie on her very successful participation in Brisbane in the State Futsal Team. Sophie showed a great level of skill and has been selected to represent Australia in Barcelona Spain. This is a massive achievement and one that shows what is possible for all students. A saying I adore is – “Reach for the stars, because even if you miss, you will still land on the moon.” Sophie is certainly reaching for the stars and we are sure that she will be successful in her pathway.

Congratulations to Mr and Mrs Bent
It is with great excitement that we announce to our Waverley Community that Mr and Mrs Bent are expecting another baby in 2016. Lenny will have a little brother or sister to play with. Mrs Bent will be on maternity leave during part of 2016. This exciting news is one that brings a great deal of joy to the children and families as Mr and Mrs Bent are very much part of the Waverley community and could not wait to share this news with you all.

STUDENT BANKING

Hi Everyone, School has started and that means so has Banking!! This term there are two new items to redeem your tokens for so let’s get banking!!

Commonwealth Bank School Banking Update – Please Read

Following the decision last month to recall the Cosmic Light Beam Torch due to a potential safety issue, a decision has been made to also withdraw the upcoming Lunar Light Band reward from the School Banking Rewards Program.

To avoid disappointment there is a new reward item available for redemption in Term 4 while stocks last. Students can now test their skills with a game of frisbee with the new Galaxy Glider!

Once students have collected 10 tokens, they can simply include a note, along with their 10 tokens in their deposit wallet on banking day to advise that they would like to redeem their tokens for the Galaxy Glider reward item.

Don’t forget the Outer Space Savers Money Box is also available in Term 4.

Student Banking Co-ordinator
